Item No. 64.11: Proposals for setting up of SEZs

(i) Proposal of M/s. Adani Ports and Special Economic Zone Ltd. (APSEZL), for setting up of Multi Product SEZ at Mundra Taluka, District Kutch, Gujarat, over an area of 1856.5335 hectares

The Board noted that the Developer is in possession of the land. The Government of Gujarat had recommended the proposal vide their letter dated 23.08.2013. Ministry of Home Affairs has also granted security clearance to the proposal on 22nd July, 2014.

The Board further noted that DGEP, D/o Revenue has made the following observation vide their letter dated 03.12.2014 and 06.02.2015:-

- (i) DoC has not yet issued any order indicating that delineation of the built up area in the port in terms of directions dated 24.10.2008 of EGoM has been completed.
- (ii) Independent access to the proposed SEZ is yet to be established. Developer has to complete it before the land parcels can be formally approved as SEZ.

The Board was apprised that the DoC has issued the delineation order on 17.02.2015. Regarding independent access, the Board was informed that since the construction of flyover was likely to take five years for completion, the developer had submitted a new proposal to DoC on 14.10.2014, wherein the developer had proposed to built a dedicated road corridor of about 950 meters for movement of the cargo of proposed SEZ through the existing SEZ. On both sides of the corridor road barriers would be built to control movement of cargo and to avoid mixing of the cargo of the two SEZs.

The Board was informed that the developer has completed the work of building the dedicated fenced corridor and has built road barriers on both sides of the corridor. The corridor and the road barriers have been inspected by the officials of DC APSEZ and has been found to be satisfactory. The cargo of new SEZ can move through this fenced corridor to DTA in a controlled manner without getting mixed up with the cargo of existing SEZ. The developer has also submitted photographs of the corridor and road barriers.

Accordingly, the Board decided to grant formal approval to the proposal of M/s. Adani Ports and Special Economic Zone Ltd. (APSEZL), for setting up of multi product Special Economic Zone at Mundra Taluka, District Kutch, Gujarat, over an area of 1856.5335 hectares. However, in case any duty exemption has been availed in completing the independent access, the same shall be refunded back by the developer. The developer would construct boundary wall on both sides along the independent access and dedicated fenced corridor, within 6 months. The developer shall also construct boundary wall to separate the new SEZ from the earlier SEZ and DTA. The sea front of the new SEZ shall be patrolled by Customs/Coast Guard, the cost of which shall be borne by the developer.
