It was informed that the developer had originally applied for a single integrated SEZ in 2006 in an area of 2500 acres (letter from Govt of Rajasthan as provided by RIICO enclosed). However, since at that time minimum land requirement for such SEZ was 1000 ha (2500 acre) and the same was not in possession of the developer, they could not meet this requirement and therefore, they applied for separate sector-specific SEZs. However, later in 2013, the requirement for multi-product SEZ has been revised to 500 ha. Total land area of five SEZs is 604.5836 ha. Therefore, the developer has proposed for merger of these sector-specific SEZs into one multi-product as originally envisaged. It was observed that at present three SEZs are operational. In view of this, the Board, after deliberations,

approved the proposal under Rule 5 (2) (d) of SEZ Rules, 2006. Further, the Board directed the developer to maintain contiguity in the merged SEZ by complying with the conditions laid down on Instruction No. 27 dated 18.08.2009 issued by the Department of Commerce.

D.O. No.F.4(1)Ind./I/05

Dated, January 17, 2006

Subject: Setting up of SEZ in Rajasthan - Application of Mahindra World City (Jaipur) Limited for granting permission to set up Special Economic Zone (SEZ) near Jaipur

Dear *Shri G. K. Pillai ji,*

This is regarding the application made by M/s Mahindra Gesco Developers Ltd. (MGDL) for product specific SEZ near Jaipur.

As mentioned in the earlier D.O. of even No. dated 23/11/2005 from the Chief Secretary Rajasthan, Rajasthan State Industrial Development and Investment Corporation Ltd. (RIICO) has signed a MoU with Mahindra Group to develop an "Integrated Special Economic Zone" in a minimum area of 2500 acres near Jaipur. This SEZ Project is proposed to be developed on PPP model with RIICO participating in equity of the SEZ SPV with MGDL as the lead promoter.

In this context I would like to inform you as follows:-

- Total of 3000 acres of land has been identified for the purpose of the development of SEZ Project. Government of Rajasthan (GoR) is in possession of 1000 acres of land in this identified area and is in a position to transfer this 1000 acres of land immediately. In so far as the balance 2000 acres land is concerned, GoR has initiated the process for acquisition to make it a contiguous area of 3000 acres. The acquisition process for balance land of 2000 acres is expected to be completed by September 2006.
- A special purpose vehicle "Mahindra World City (Jaipur) Ltd" (Project Company) has been formed as a Public Limited Company for the development of the SEZ Project.
- Rajasthan State Industrial Development and Investment Corporation Ltd. (RIICO) shall participate in Project Company

149 124

equity. Both RIICO and MGDL are now discussing the terms of the Shareholders Agreement regulating terms of their respective investment. The Shareholders Agreement is expected to be signed shortly.

- The Project Company proposes to develop a contiguous piece of 135 acres (from the 1000 acres of Government land) as IT/ITES SEZ as Phase-I development to meet the immediate requirements of IT/ITES companies in that region. GoR is in possession of this land and it shall be transferred to the Project Company shortly. As indicated in the application, this 135 acres land is strategically located with good quality access from the National Highway. The area is free from any encroachment and does not fall in the ecologically sensitive zone.
- The MoU between RIICO and MGDL records the commitment of GoR to supply power and water and to provide access road apart from other supports such as promulgation of various notifications as per SEZ Act 2005.

In view of this, we request that a SEZ Permission / Final SEZ approval may be granted to the Mahindra World City (Jaipur) Ltd. to set up IT/ITES SEZ in 135 acres with a condition that the required land of 135 acres shall be transferred by GoR to it by the end of February 2006. This IT/ITES SEZ will eventually be a part of the "integrated SEZ" on obtaining such permission.

We also request the Board of Approval to kindly grant "in-principle approval" to Mahindra World City (Jaipur) Ltd. to set up an "integrated SEZ" in 2500 acres near Jaipur.

We shall be happy to furnish any other information that you may desire in this connection.

With regards,

Yours sincerely,

Ashok Sampatram
