The Board took note of the Revenue Department's comments regarding the minimum area as per the latest amendment not being maintained in this case and observed that the developer was granted an "in-principle approval" by the BoA in the 90th meeting in June, 2019 for setting up of SEZ in terms of Rule 6(1)(b) of the SEZ Rules, 2006 keeping in view the minimum required area of 40 hectares for FTWZ as per the then rules. The Board noted that since the application for formal approval dates before the amendment of rule on 17.12.2019 and the developer had acquired an additional area keeping in view the "in-principle" approval granted to them by the Board, the amendment for minimum area requirement of 50 Ha for setting up an SEZ cannot be made applicable to their proposal which had already been accorded "in-principle" approval. However, the Board directed that the policy may be revisited in respect of minimum area requirement for an FTWZ.
