**4.5(22) Proposal for renewal of LoAs of the Plastic Recycling EOU units under KASEZ.**

The Board noted that the existing validity of the LoA of the 4 plastic recycling EOU units under Kandla SEZ shall expire on 26.08.2022. The representative from MoEF&CC informed the Board that they are reviewing their policy for import of such items and that a suitable amendment/notification in this regard shall be issued by their Department after such review.

The Board examined the unit-wise performance taking into account the positive Net Foreign Exchange Earnings in past five years i.e. 2017-2022, fulfillment of criteria of 35% exports in terms of annual turnover and 50% in terms of tonnage as specified in the DoC's

policy dated 27.05.2021. Further, in light of notification of the Hazardous and Other Waste (Management and Transboundary Movement) Amendment Rules, 2021 vide G.S.R. 47(E) dated 27.01.2021 issued by the MoEF&CC allowing import of 'post industrial or pre-consumer polyethylene wastes' and 'polymethyl methacrylate' by the SEZ units and EoUs only, the performance of the unit during the period January, 2021 to June, 2022 was also deliberated upon by the Board.

The Board, after detailed deliberation decided that the LoA of only those units which meet the NFE obligations in addition to the criteria of exports in terms of annual turnover as well as tonnage, as specified in the DoC's policy dated 27.05.2021, stand extended for a further period of five years beyond 26.08.2022.

Jurisdictional Development Commissioner may take further necessary action accordingly.

The Board, after deliberations, rejected the proposal of the unit in the absence of any specific provision regarding partial conversion of DTA unit into EOU unit in FTP 2015-20 read with HBP 2015-20.
